

# PATRIOT GRANDMAS

We are the Patriot Grandmas—a fun-loving, faithful group of women in Northern Colorado who cherish God, family, and country. United in prayer and purpose, we aim to be an active, informed presence in our communities, guided by God’s truth.

We meet monthly to pray over local, state, and national issues, support candidates who uphold biblical values, attend school board and city council meetings, and at times testify at the state capitol. Staying engaged and sharing opportunities helps us act with unity and impact.

Motivated by our love for our grandchildren and the next generation, we stand for life, liberty, and lasting faith—doing all we can to protect the freedoms they’ll inherit.
