

# PERSPECTIVES 101

We are a non-partisan civic group committed to providing free, honest, and informative presentations on today's most important issues. Through our Perspectives101 talks, we aim to equip our community with full-story coverage and timely insights that inspire awareness and meaningful dialogue.

We value spiritual freedom, personal responsibility, and the right to life, liberty, and the pursuit of happiness. We believe in unity beyond labels—honoring character over skin colors, heritage, and socio-economic status.

Our goal is simple: get informed, stay informed, and help others do the same.
